# About Inspired Skills Academy

- Our endeavor at Inspired Skills Academy is to train today's youth from different facets of Life, the true quality of Skills for 21<sup>st</sup> Century, that will shape their careers, goals and aspirations.
- This single minded devotion, grit and determination took shape to launch our initiative – Inspired Skills Academy in the year 2023, which is an off shoot of Inspired Consults, Mumbai.
- These specially curated programs / courses are to hone and develop the skills required for the the generation of the future, with thorough research and planning by taking inputs from various stakeholders to design them.
- The following domains have been thought out to you, by our young dynamic team:

**INSPIRED SKILLS ACADEMY**
