

`Integrity consults` and `*Inspired Learning*`, two premier organizations into Blended Training for students of Management education as well as for professionals who wishes to build impressive careers, presents a focused program on “**Presentation Skills**”.

Objectives of this program:

To build effective presentation skills and offer tools for regular practice to the participants to be able to confidently carry themselves in any situations as well as during public/ professional interactions.

The focus areas are understanding benefits of a good presentation skills, attaining effectiveness, becoming an evolved, impressive personality.

Our training program will help you to:

- ✓ **Empowering you with** Proficiencies for Performance Enhancement w.r.t. your communication at Professional and Personal levels
- ✓ Empowering you with effective presentation skills and tools to practice and enhance it further
- ✓ Offering you knowledge about kinesthesia for better communication skills

To facilitate your decision, we suggest asking yourself following questions:

- What do I see of myself while public appearances?
- Do I actively seek opportunities to present and speak at public functions?
- Can I realize and resolve Challenges (if any) for seamless and rewarding communication with **Family and Workplace**? (Which impacts my career as well!!!?)
- Do I presently possess good presentation skills to accomplish desired personal and professional goals?
